- Essex has a full-time Customer Service Call Center available to take homeowners' calls during normal business hours. If a representative is assisting another customer, owners may leave a voicemail, and their call will be returned the same or following business day. If the representative is unable to resolve the inquiry directly, they will coordinate with the appropriate department to ensure a timely response. Additionally, or alternatively, owners may submit a web request through the "Contact Us" tab on the HOA website, and an Essex representative will respond promptly. If the owner knows the email address of the specific representative or team they wish to reach, they may also email them directly.
